Interesting Information

Please provide a brief description of your school and community, such as the size of your school (enrollment and grade levels), population of your community, and famous facts about your community. You may also want to include photographs of your school and community or links to related websites.

Note: Make copies of all entry forms for your records. Enclose all forms (entry forms and the school information page) in a separate envelope and mail with your packages. Receiving teams are not allowed to open your packages until they receive and review all entry forms!
