

CSI Web Adventures: CASE 4

Name _____

Go to <http://forensics.rice.edu/> and click “Case Four: The Bitter Pill” to complete this worksheet.

USER NAME: _____ Password: _____

1. Talk to CATHERINE to answer these questions.

(A) What happened? _____

(B) What tools will you need? _____

(C) Click on the tools you'll need and read the information provided.

2. Click the LOCATIONS tab and go to the CRIME SCENE. Talk to SARA to help you answer these questions. You may need to talk to them more than once! Remember to list any clues and evidence you find in the box on the back of this worksheet

(A) What did you learn from talking with Sara?

(B) Use your TOOLS to gather evidence outside the house and talk to the neighbor. Then go inside the house and collect more evidence. List the evidence you collected in the chart on the back of your worksheet.

3. Return to HEADQUARTERS and find the CSI LAB. Talk to DAVID and then process your evidence. Write down clues and evidence you learned in the table on the back.

4. Click the LOCATIONS tab and talk to the neighbor. Write down clues and evidence you learned in the table on the back.

5. Return to the MORGUE. Talk to the doctor and follow the directions to complete the tasks. Write down clues and evidence you learned in the table on the back.

6. Return to the CSI LAB to test the blood sample. You will need to complete four different tests. Write down clues and evidence you learned in the table on the back.

7. Return to the CRIME SCENE and talk to SARA. Write down clues and evidence you learned in the table on the back.

8. Click the LOCATIONS tab and talk to the suspect. Be sure to check your smartphone if it is flashing!

9. Click the LOCATIONS tab and go to the hospital. Talk to the patient and the doctor. Add any new clues/evidence you find to the list in the table on the back.

9. Check your messages and open the attachment.

10. Use what you have learned to solve the crime. Write your conclusion on in the space below. _____
