CRASH Curriculum*	Legal Sciences http://www.legalsciences.com/crash.html	\$995.00	1	\$995.00

* May be able to get funding for the CRASH curriculum unit through state police or local community organizations. You might also want to split the cost with your high school physics teachers as they will be able to use the kit as well for more involved investigations.

NOTE: I use the supplies with approximately 100 students each school year. Each year I purchase the refill kits for the blood typing lab and paper strips for chromatography as well as any new fingerprinting materials that may need replaced.

Other Materials:

Forensic Knowledge Cards (CARD-490) from Teacher Source - \$9.95

Famous Court Cases Cards (CARD-510) from Teacher Source - \$9.95
