

Day 3: Do you remember?

What are my start of
class expectations?

At the beginning of each class, you will ...

- 1) Sit in your assigned seat (after putting your phone up!)
- 2) Get out your Handy Dandy Science Notebook and a pencil/pen (sharpeners in the supplies caddy on your table.)
- 3) Put your stuff on the tray under your chair.
- 4) Wait quietly for the helpers to set up the Science Starter.
- 5) Write down answers for all questions and wait for everyone to finish.
- 6) Check your answers and make corrections if needed.

NOTE: If you are absent, put a stamp in the box to earn credit for that day. Stamps are in the Student Zone area!

Finish this sentence - I like it when teachers ... *

Notice when I do something well and help me out when they know I'm not sure what to do (plus make other kids behave so they don't bug me!)

Finish this sentence - I don't like it when teachers ... *

Give us "busywork" assignments because we are in trouble, yell a lot, or punish everyone when it's only a few kids causing trouble

Do you like working in groups?

Depends on the group – as long as everyone works, it's great!

What else would I like you to know?

I enjoy teaching when learning can be fun for everyone. I do not enjoy having to act as a "baby sitter" for students who cannot behave and waste class time.

Respect is a two-way street!
