Butterfly Report Requirements

- 1 Draw (or trace) an accurate picture of your butterfly in the box.
- 2 Complete the information related to your butterfly's classification.
- 3 Check the Butterflies of Illinois website for wingspan in inches and centimeters
- 4 Where does your butterfly live? List the habitats where you are likely to find it.
- 5 List the food sources for your butterfly as well as its caterpillar.
- 6 Share the winter plans for your butterfly, such as migrate or hibernate.
- 7 Browse the Internet or library resources to discover at least 3 tidbits about your butterfly.
A few ideas ...
Defense mechanisms for protection
Length of its life cycle
Unique characteristics
- 8 Check the Butterflies of Illinois website to discover which counties are home to your butterfly. Shade in the state map to represent those areas.
