

## **Tribes**

- Each class will be split into several tribes of 3 to 4 students.
- Tribes will work together during the challenges to earn points or rewards.
- Each challenge will be worth a homework grade that will be included in your grade for this class.
- Inappropriate behavior or disruptive behavior will result in the elimination of the tribe from the competition.

## **Immunity Challenges**

- Challenges will relate to topics we have studied this year.
- Teams will earn points based on their efforts.
- The team with the highest score will earn immunity, which means they cannot lose those points at the next Tribal Council.

## **Reward Challenges**

- Challenges will relate to a wide range of topics.
- Teams will earn rewards for their efforts.
- The team with the highest score will earn the reward and a bonus of 10 points for their team score.

## **Tribal Council**

- After each immunity challenge, tribes will vote for one team to lose the points earned on that challenge.
- Each tribe will have only one vote during each tribal council.
- Tribes cannot lose points from previous immunity challenges!

## **Expectations**

- Good sportsmanship is expected at all times. Play fair!
- The teacher's decision is final.
- Alliances are ok, but be careful that they don't hurt your tribe in the long run!

## **Let's get started ...**

1<sup>st</sup> – Pick your tribe and a table!

2<sup>nd</sup> – Create a tribe name and fill out your totem pole!
